

HCA Healthcare is a learning health system that uses its more than 43 million annual patient encounters to advance science, improve patient care and save lives.

HCA Healthcare is one of the nation’s leading providers of healthcare services with more than 180 hospitals and approximately 2,400 sites of care, including surgery centers, freestanding emergency rooms, urgent care clinics, home health and hospice agencies, and physician clinics, located in 20 states and the United Kingdom.

Network of care

- In 2023:**
- 300,000+** colleagues
- 99,000+** registered nurses
- 45,000+** active and affiliated physicians
- 43 million+** patient encounters
- 9 million+** emergency room visits
- 212,000+** babies delivered
- 326** urgent care clinics
- 124** surgery centers

Patient care

Our Enhanced Surgical Recovery (ESR) program has demonstrated **significant improvements in surgical recovery**, including a two-day average reduction in length of hospital stays and an up to 44% decrease in opioid usage for some surgeries.

HCA Healthcare’s average door-to-needle-time has been reduced to **33 minutes**, faster than the national standard for stroke care.

We collaborate with the American Heart Association, in conjunction with the HCA Healthcare Foundation, to support a new initiative, **Getting to the Heart of Stroke**.

In 2024, **54 HCA Healthcare hospitals** were recognized by Healthgrades’ America’s 250 Best Hospitals list for superior performance in providing care for conditions and procedures across multiple specialty lines and areas.

Healthcare leader

Through a joint venture combining McKesson Corporation’s US Oncology Research (USOR) and our **Sarah Cannon Research Institute (SCRI)**, our contributions to pivotal research have helped advance the majority of new cancer therapies approved by the FDA today.

In 2023, the **HCA Healthcare Research Institute** participated in more than 300 industry-sponsored studies.

HCA Healthcare provides significant clinical and medical education through **more than 300 graduate medical education (GME) programs** and Galen College of Nursing. Since joining HCA Healthcare in 2020, **Galen has opened or announced 16 campuses**.

In 2024, HCA Healthcare was recognized for the 14th time by Ethisphere as one of the **World’s Most Ethical Companies**.

In August 2023, HCA Healthcare and **Google Cloud** announced a collaboration to use generative AI technology to assist care teams with time-consuming tasks like documentation.

Giving back

In 2023, we delivered charity care, uninsured discounts and other uncompensated care at an estimated cost of **\$3.7 billion**.

We provided **\$43 million+** in enterprise giving to community organizations in 2023.

In 2021, we announced a **\$10 million** investment over three years in Historically Black Colleges and Universities (HBCUs) and Hispanic Serving Institutions (HSIs).

HCA Healthcare Foundation’s Healthier Tomorrow Fund, a community impact fund with an initial investment of **\$75 million**, focuses on addressing high-priority community needs and health equity. Organizations supported include Volunteers of America and Girl Scouts of the USA.

Community impact

We are proud to partner with **March of Dimes**, the **American Red Cross**, **Johnson & Johnson** and others.

HCA Healthcare facilities have collected more than **67,500** pounds of unused or expired medication since launching our annual “Crush the Crisis” prescription drug take back day as an enterprise initiative in 2019.

HCA Healthcare invested **\$4.7 billion** in capital investment in 2023.

In 2023, **34.12 million+** pounds of construction waste and **30.4 million+** pounds of shredded paper were diverted from landfills for recycling.

Above all else, we are committed to the care and improvement of human life.
