## Health Portal Patient Login – Healow TV

The Health Portal Patient Login is where you will begin in order to access TeleHealth Visits.

Once you have been web-enabled, an email will be sent to you asking you to log in to the portal.

You will then be given the option to receive a text or voice call to receive an authentication code to log into the portal. Then you will be prompted to create a password once you log in.

Once this has been set up, you will be able to access **Healow TV**.
