The Provider Profile page allows you to make changes to your Security Questions.

1. Click Change Security Questions.

2. Enter your Current Password.

3. Click Next to continue.
Provider Profile – Change Security Questions

4. Select and answer the new Security Questions.
5. Click Submit.

*Note:* This change becomes effective immediately.

The *Confirmation screen* appears advising you that the change has been processed. A message will also be sent to the Provider’s Message Center.
